

Lovely Lady

FOR WOMEN ONLY

This page is designed for the single lady and discusses topics that she may encounter in life.

Ladies, what does the world need from us?

Check all those that apply

- our flawless complexions
- no wrinkles
- perfect noses
- big breasts
- thin bodies
- blonde hair
- no cellulite
- 50 year old women who look 30

Have you looked at any woman's magazines lately? I am almost dead sure that what they promote in those magazines is what is listed above. Our world seems fascinated with physical perfection which seems to be the result of a sexual focus.

Does our world really need sexy, blonde bombshells running around having sex with everyone? Let's not buy into this garbage that is being sold to us!

I would like to suggest that what our world needs now is more Madam Curies and Mother Teresas!

Ladies, let's make a difference in our society by getting a passion to help.

Do you have a passion in life! Find one that will help others!
